

## MonLines SBH005

### AV / soundbar mount universal

### Description

The MonLines AV mount SBH005 for TVs is designed to be attached to the rear VESA mount of the TV. Blu Ray / DVD players, receivers, game consoles or soundbars can be placed on the darkened safety glass shelf with a load capacity of 10 kg. The glass shelf for AV devices can be mounted either below or above the screen, depending on whether it is mounted on the wall or placed on a table, for example.

A complete set of mounting accessories and a user-friendly instruction manual are included. The universal AV holder can be combined with a monitor mount, such as a swivel or tilt TV wall mount.
