MonLines V083 VESA adapter for HP Omen 27c

Description

With the MonLines VESA adapter for HP Omen 27c your 1000R QHD curved monitor from HP can be easily attached to a VESA-compatible monitor mount. The adapter plate creates a VESA mount of 100x100 mm on the gaming monitor. Simply unscrew the stand of the screen on the back and plug in the V083 Vesa adapter for HP monitors - the 27 inch HP monitor is already Vesa compatible.

The HP Omen gaming screen can be attached to a monitor wall mount, a ceiling bracket, a swiveling table holder or a pillar using the adapter plate. The MonLines VESA adapter V083 for HP Omen 27c displays is made of robust steel with high-quality powder coating.
